## DEVAKI AMMA MEMORIAL TEACHER EDUCATION COLLEGE (DAMTEC)

Adhering heartily to the motto 'Better Teachers for Brighter Future' and with earnest endeavours to accomplish our ideals, Devaki Amma Memorial Teacher Education College, Chelembra managed by the Devaki Amma Memorial Trust, which runs Devaki Amma Memorial College of Pharmacy, Devaki Amma Memorial Guruvayurappan College of Architecture and the model School Narayanan Nair Memorial Higher Secondary School, is going to celebrate its Silver Jubilee. In the years bygone (2001-2024) the college has stamped its indelible foot prints in the teacher education scenario of our state through dedicated socially committed and insightful professionals. The college has witnessed the glory of academic excellence in NET, JRF, SET, CTET, K-TET results. National Seminars and workshops on various issues pertaining to education and research and arts, sports and cultural activities with the patronage and gracious support of our Managing Trustee and enthusiastic involvement of the students and staff. The journey so far was enterprising and triumphant.

## COUNCIL FOR TEACHER EDUCATION FOUNDATION (CTEF) NATIONAL

CTE was established in 1985 by a group of committed educators headed by Dr. Gulab Chaurasia after recognizing the need and opportunity to professionalize teacher education. It is a registered body under the M.P. Society's Registration Act. 1973. The council has more than 14000 members and organizes annual conferences every year with a view to provide a forum for exchange of ideas and experiences. The prime objective of CTE is to strengthen teacher preparation programmes and to develop competent, resourceful, and skilful teaching professionals in all levels of education from lower primary to higher education and teacher education in particular. National CTE has established 23 state chapters and 03 chapters at international level with a view to decentralize its working and to reach the grassroots level. In 2019, a transition took place in the organisation and CTE has re-registered and renamed as Council for Teacher Education Foundation (CTEF).

## COUNCIL FOR TEACHER EDUCATION FOUNDATION (CTEF), KERALA STATE CENTRE

was established in 2001 under the dynamic leadership of Prof. (Dr) K. Sivadasan Pillai, one of the veteran educationists of our country and a close associate of Dr. Gulab Chaurasia, the National President of CTE. Dr. Pillai introduced many innovative programmes and conducted campaign among the teacher educators in the state. At present CTEF Kerala Chapter has more than 1000 life members and nearly 45 Institutional members in its credit. Now Kerala Chapter is accepting memberships from Research Scholars too. Many state awards are instituted as incentives to life members and institutions under this chapter.

# COUNCIL FOR EDUCATIONAL ADMINISTRATION AND MANAGEMENT (CEAM)

is a registered Non-Governmental National professional organization founded on November 14, 2019 with its headquarters at Thiruvananthapuram, Kerala, India with the mission of prioritizing the areas of educational administration and management and education across the nation and beyond. It is an exceptionally extra ordinary initiative of CEAM to provide the prodigious opportunities of learning in the field of research and education to all the edu-entrepreneurs across the globe. The vision of the organization is to foster collective development through multifarious academic initiatives pertaining to the educational sphere leading to enhance the capacity and the quality of teachers at higher education level. The aim of the organization is to compile human and material resources and to plan, supervise, strategize, and realize programmes pertaining to educational management and administration.

## FOCAL THEME

The Indian Knowledge System (IKS) offers a holistic approach to education that emphasizes the interconnectedness of mind, body, and spirit. The wisdom, rooted in Indian philosophy and traditions, provides a comprehensive framework for personal and societal development. In recent years, there has been a growing interest in revitalizing IKS and integrating it into contemporary education. Technology can play a crucial role in this process by providing innovative tools and platforms for the preservation, dissemination, and application of IKS. Technology can help us revive IKS and adapt it to modern issues. This will promote a more comprehensive educational approach, cultivating well-rounded individuals and contributing to a fairer and more just world. By utilizing technology, we can rejuvenate IKS and make it applicable to current problems. This will foster a more holistic educational framework, nurturing multifaceted individuals and contributing to a more equitable and just society.
